MARYVILLE, MISSOURI, FRIDAY, JUNE 18, 1915.

NO. 13.

3 CITY TEACHERS RESIGN; PICK ONE

PAUL BECKER, NEBRASKA, TO
TEACH MANUAL TRAINING.

GRADE TUTORS FIND JOBS OTHER PLACES

Misses Glenn Hotchkiss, Ora Eckles
and Kathryn Brown Leave—Hire
Janitors—Meet Again Tuesday.

Three positions in the teaching staff of the Maryville public schools remain to be filled by the school board before the next term begins, as a result of the resignations of three being submitted to the board last night and this morning. One janitorship also remains to be filled. The other janitors and one teacher were elected at a special meeting of the board last night.

Another meeting has been called for next Tuesday night, June 22, in the offices of Cook, Cummins & Dawson. Applications of teachers for three vacancies will perhaps be considered at that time.

The teachers who have announced resignations are: Miss Glenn Hotchkiss, teacher for the last two terms in the third room of the Garfield school who has accepted a position as teacher in Henrietta, Okla., at a higher salary; Miss Ora Eckles, re-elected to teach the A-Fifth grade in the Washington school building next term at \$55 a month has resigned to accept a position as teacher of English in the high school at Quincy, Ill.; and Miss Kathryn Brown, re-elected at a salary of \$50 a month to teach the second room at the Jefferson ward school, resigned to teach in the Hopkins schools.

Pick Manual Training Tutor.

The resignation of Miss Hotchkiss was the only one formally passed upon last night by the board, but the other two will be accepted. L. C. Cook, a board member announced this morning. Applications for the three vacant positions are being awaited.

Paul Becker, now attending the Nebraska state normal school at Wayne, Neb., was elected last night to teach manual training in the high school next term at a salary of \$85 a month. He takes the position held by Harvey Watson at \$70 a month, since H. B. Polson resigned last winter. Becker is said to be inexperienced in actual teaching. He also will probably assist in athletics at the high school next term.

Get New Janitor.

Harry Agnew, who was janitor in the schools of Bedford, Ia., last term, but let out through politics, was employed by the school board last night to be janitor at the Washington school building next term, in charge of the heating plant. He will succeed Joshua L. Neal, who has been employed at the Normal.

He is to also have charge of the ward school buildings during the summer at a salary of \$40 a month. His pay will be \$65 a month from September 1 to December 1; \$75 from December 1 to April 1, 1916, and \$85 the balance of next term.

Richard Viles was re-employed at \$50 a month as janitor at the Washington school building. W. X. Smith will be retained as janitor at the Jefferson building at \$30 a month, and Hugh Myers at the Garfield building at the same pay. No one was hired for the Franklin building. Boyd Blachley was janitor there last term.

WOULD IMPROVE MONROE ROAD.

County Engineer Considers Changing Highway Through Bottom West of Skidmore.

County Highway Engineer J. E. Reese was ordered by the county court this morning to make a survey of and estimate the cost of changing the public road west of the Nodaway river just west of Skidmore, for nearly a half-mile. The change is considered to place the highway on higher ground and thereby render it less susceptible to damage from flood waters of the Nodaway river.

CIGARETTES TO BOY; TO JAIL

Roy Mayall, Iowa, Fined \$20 For Gift to 5-Year-Old Cousin.

Because Roy Mayall, Clarinda, Ia., gave his 5-year-old cousin, Albert Mayall, a cigarette here yesterday afternoon, he must serve sixteen days in the county jail here, as a result of the fine imposed upon him by Justice W. L. Johnson yesterday afternoon. He was fined \$20 while the costs amounted to about \$12, none of which he could pay, he announced. He was committed to jail in default.

The arrest and fine of Mayall followed a campaign which Prosecuting Attorney W. G. Sawyers announced last winter. This is the first complaint made to him of such state law violation, though there is no doubt unexcused offenses of this nature, he said. One of the strange facts of the case yesterday, was that the boy's father is said to have observed his nephew giving the cigarette but made no effort to prevent it.

Instead, it is said the two sat by the boy and watched him smoke the cigarette. The Mayalls came to Maryville yesterday, seeking work. They had been living in Clarinda, Iowa.

SAYS BARBER 'FANNED' BOY

William Greenelsh, Former Maryville Barber, arrested at Conception on Assault Charge.

William Greenelsh, formerly a barber of Maryville, now proprietor of a barber shop and pool hall at Conception Junction, was arrested today and arraigned before Justice James Donelson there on a charge of common assault and striking a minor. He is said to have whipped Leo Binter, a youth, during a carnival show there Wednesday.

Greenelsh pleaded not guilty when arraigned before Justice Donelson. He was released on his own personal recognizance pending his preliminary trial next Tuesday morning. It is said the trouble with the Binter boy was caused on account of the Binter boy and Greenelsh's boy having had a fight recently.

CLEARMONT TO CELEBRATE

Independence Day Will Be Observed July 3—Arrangement Committees Named—Meet Again Tonight.

Clearmont will celebrate Independence day again this year with music, speaking and other entertainment, according to decision made by leaders in that town this week, says the Clearmont News. The celebration will be held on Saturday, July 3, though, as July 4 comes on Sunday.

Another meeting of the officers and committees named a few days ago will be held tonight at Clearmont to make more definite arrangements for the celebration. It is planned to make the celebration this year better than ever before.

Committees on music and entertainment, finance, speaking, grounds and concessions and advertising have been named and the following officers for the day elected: Chairman, Dr. H. S. Dowell; secretary, H. W. Kramer; treasurer, L. M. Cummins; president of the day, Hon. J. H. Lemon; marshal of the day, H. E. Bancroft.

REFUSES TO ENJOIN VOTE.

Court Allows Election in Atchison County Today to Merge Schools.

Circuit Judge W. C. Ellison late yesterday afternoon decided to refuse the temporary injunction requested to stop an election planned for today to consolidate five rural school districts north of Rock Port, in Atchison county. The matter was argued before him here yesterday afternoon.

Though it is not believed any further fight will be made, the opponents to the plan may later seek to prevent the state authorities from registering the \$10,000 in bonds, which it is proposed to vote today.

Grant City Downs Lighting.

Grant City will have no street lights after August 1, according to an election held this week, in which 79 voted for the lighting and 71 against. As it required a two-thirds majority to carry, the city loses its lighting soon.

WAS RECORD SALE

BELLOWS BROTHERS' AUCTION BROUGHT BEST BIDS EVER.

MANY BREEDERS ATTEND

Persons Interested in Shorthorns Came From All Middle West—Agricultural Schools Represented.

The twelfth annual sale of Bellows Brothers, at the Parkdale farm, southwest of Maryville, yesterday afternoon, resulted in thirty-seven of the forty Shorthorn cattle being sold at a total of \$18,975, or an average of \$513, as mentioned in The Democrat-Forum yesterday. The sale this year, is considered by C. D. Bellows the most successful ever held, and which perhaps attracted more Shorthorn breeders here than ever before.

The breeders came from nearly every state in the middle west, while the south and east furnished some. The department of agriculture at Washington also was represented here by W. F. Ward, and the state agricultural colleges of Nebraska, Iowa and Missouri were each represented. Many also attended from all parts of Nodaway county and other sections of northwest Missouri.

Was Better Than Last Year.

Last year the Bellows Brothers sold forty-four cattle at a total of \$13,930, or an average of \$316.60 per head.

The sale yesterday consisted of fourteen bulls and twenty-eight cows and calves. The bulls were sold as follows:

W. C. Children, Council Bluffs, Ia., \$1,500.

H. C. Lookabaugh, Watonga, Okla., \$205.

C. B. Hammett & Son, Clarence, Mo., \$285.

C. S. Allen, Stanberry, Mo., \$315.

F. E. Handorf, Coon, Ia., \$380.

H. Stenberg, Elmore, Minn., \$550.

John Gosling, Kansas City, Mo., \$665.

John Gosling, Kansas City, Mo., \$425.

R. F. Shackelford, Daykin, Neb., \$200.

P. W. Cunningham, Mount Serat, Mo., \$300.

E. W. Cosgrove, Farnam, Neb., \$320.

D. E. Lomas, Villisca, Ia., \$300.

E. G. Tiller, Hamburg, Ia., \$200.

H. C. Lookabaugh, Watonga, Okla., \$205.

These Bought Cows and Calves.

The following cows, heifers and calves were sold:

Red cow and bull calf, Howell Rees & Son, Pilger, Neb., \$1,200.

Roan cow, S. A. Nelson, Malcom, Neb., \$1,000.

Red heifer, S. A. Nelson, Malcom, Neb., \$500.

Red cow, A. B. Patterson, Meridan, Miss., \$540.

Red cow and bull calf, Mary Sweitzer, Kansas City, Mo., \$540.

Roan cow, Mary Sweitzer, Kansas City, Mo., \$830.

Roan heifer, Weaver & Garden, Wappelo, Ia., \$510.

Roan heifer, Mary Sweitzer, Kansas City, Mo., \$725.

Roan heifer, W. V. Leazenby & Sons, Ridgeway, Mo., \$245.

Red cow, Thompson Bros., Dover, Kan., \$610.

Roan cow and calf, A. M. Hill, Northcutt, Minn., \$1,000.

Red cow and bull calf, N. R. Rundell, Hurley, S. D., \$600.

Red cow, D. Warnock & Son, Loveland, Col., \$375.

Red cow, W. V. Leazenby & Sons, Ridgeway, Mo., \$380.

Roan heifer, W. V. Leazenby & Sons, Ridgeway, Mo., \$380.

Red heifer, D. Warnock & Son, Loveland, Col., \$415.

Roan cow, F. E. Taylor, Ellis, S. D., \$700.

Red cow and cow calf, A. M. Hill, Northcutt, Minn., \$840.

Roan cow, F. C. Barber & Son, Skidmore, Mo., \$300.

Roan heifer, D. Warnock & Son, Loveland, Col., \$380.

Roan cow, F. C. Barber & Son, Skidmore, Mo., \$410.

Red cow, W. V. Leazenby, Bros., Ridgeway, Mo., \$255.

Roan cow, D. Warnock & Son, Loveland, Col., \$290.

BAPTISTS DINE AND TALK

Men's Club Eats Fish—Join in Music, Prayer, and Hear Pastor on Fellowship.

One hundred and ten members of the Men's club of the First Baptist church participated in the banquet and meeting held in the basement of the church last night. The principal attraction of the feast was the 100 pounds of channel catfish and pike served. The banquet was followed by prayer and songs, in which all took part. A vocal trio also was given by Frank Partridge, Byron Oliver and George Roberts.

An address on "Christian Fellowship, or Am I My Brother's Keeper," was then delivered by the Rev. L. M. Hale, pastor. In this address Mr. Hale explained why the need of sociability and fellowship were so imperative to the success of church work and in making for a better understanding between those connected in church work and the "outsiders."

Dr. Karl Malotte presided over the meeting. The following club members served during the banquet: Clyde Avitt, Frank Bolin, Martin Borrusch, B. W. Lemon, Earl Kissinger, Thomas McMullen, Roy Martin, Ray Davis, W. J. Plumb, Bert Levy, Frank Reynolds and William Burris.

PLANCHAUTAUQUA PROGRAMS

Burlington Junction and Clearmont Prepare for a Week of Outdoor Entertainment.

Burlington Junction and Clearmont have each completed arrangements for summer Chautauquas. At each place the entertainment will continue through five days and some splendid talent has been secured.

The Burlington Junction Chautauqua will open Monday, August 30, and continue until Friday night, September 3. The opening hour of each day is devoted to children's games, festivals and athletic events. The opening day the music will be given by the Alpine Singers and Yodlers, and a lecture will be given by Hon. B. F. McDonald.

Other entertainers on the program are Hinton-Mordella, impersonators; George E. Colby, cartoonist; Robert J. Patterson, Irish orator; the Variety club, a concert organization; Judge Lee S. Estelle; the Regniers, vaudeville entertainers; Hon. Paul P. Prosser, a southern orator; an illustrated travelogue by Dr. Frederic Poole; the Eldorado Grand Opera company, and a business talk on "The Community of Interest," by S. A. Baker. The entire program is a strong one and is arranged so as to give a variety of entertainment.

The Clearmont program will open on Friday, July 23, and continue through until the night of Wednesday, July 28. Among the speakers and entertainers for the event are Thomas P. Byrnes, Earl C. VanDusen, Rev. George E. Ferguson, the Versatile Entertainers, Rose Bush and her company, Pearl Jane Doughty; Beatrice Parkhill in song recital, and the Howard Hall male quartet. The meetings will be held in the Clearmont grove, and the regular program will be interspersed with numbers given by local talent.

Ravenwood to Play Gentry.

The Ravenwood base ball team will play Gentry at Gentry Sunday afternoon. Gentry defeated Ravenwood at Ravenwood last Sunday.

Returns to Chicago.

Mrs. D. E. Mills of Chicago, who has been visiting her mother, Mrs. J. V. Embree, returned to her home Wednesday night.

SEEK PAVING BIDS

CITY COUNCIL MEETS TONIGHT TO CONSIDER PROPOSALS.

FAILED OTHER TIMES

Representatives of Paving Concerns Expected—Material Companies Present—Affects 6 Streets.

Undaunted by the failures to get bids for paving called for twice previously, the city council will meet in adjourned session tonight to again consider any bids that might be submitted. They say the third time is the charm and it does look now as though the charm would come in the way of a paving contract being awarded tonight.

It hasn't been difficult any time to get plenty of material men here but the pavers appear to be shy about something. It is believed though that the council will finish the job tonight even if only one or two are submitted.

The Metropolitan Paving Company of St. Joseph, which submitted a bid for paving all but Fifth street from Market to Dunn, and Dunn from Fifth to Normal avenue at the last meeting, is expected to appear again tonight. R. O. Shipp, representing the Midwest Construction company, a paving concern of Kansas City, also is in the city today with the intention of submitting a proposition to pave all proposed streets.

Paving Material Men Here.

Among the representatives of material men here today are S. N. Johnson, manager of the paving department and J. C. Hall, salesman of the Barrett Manufacturing Company, makers of "Tarvia"; G. F. Wunder, representing the Atlas Portland Cement Company; S. J. Wilcox of the Dewey Portland Cement Company, Dewey, Okla.; and Fred Sharer, Kansas City Portland Cement Company, Kansas City.

The city proposes to consider bids tonight for paving with either asphalt or tar paving material, the following streets:

Fifth—Market to Dunn, 7 blocks.

Dunn—Fifth to Normal avenue, 1/2 block.

Mulberry—Ninth to Twelfth, three blocks.

Twelfth—Mulberry to Walnut, one block.

Thompson—Walnut to Main, 4 blocks.

Ninth—Mulberry to Wabash tracks, 3 1/2 blocks.

This comprises a total of 18,455 square yards of paving surface, 11,800 lineal feet of curbing, 4,365 cubic yards of excavation and 916 lineal feet of headers.

MAY REVIVE HARVEST HOME.

Burlington Junction Plans to Repeat Festival of Years Ago.

A number of our farmers and citizens are interested in a plan to revive the old Harvest Home, which proved to be such a success in Burlington Junction for several years, says the Burlington Junction Post. It is argued that the country and town are better prepared now than ever before to promote and maintain an organization of this kind, and it is probable that some definite steps will be taken towards forming a permanent organization soon. Several have signified their willingness to subscribe liberally to the proposition. Let's have "something doing," and since the Harvest Home would interest farmers and town people alike, why not work towards that end.

Mrs. Martha Moberly of Pickering has been very ill for some time and her condition is critical. Mrs. Moberly makes her home with her daughter, Miss Lanta Moberly. She is the mother of Chief of Police E. C. Moberly of this city.

102 BANK FULL; NO DANGER

River Up Again Because of Rain—Falling Up Stream—Rising Here.

The 102 river was bank full and still rising at the water plant, east of the city, at 2 o'clock this afternoon, as a result of the steady rain yesterday and last night. It still lacks about two feet though, of being as high as it was earlier this spring. No overflow water is yet reported at any place along the river in Nodaway county.

The river was bank full at both Hopkins and Pickering at 1:30 o'clock this afternoon but was beginning to fall slightly. All danger from overflow is past, it is believed, unless additional rain should fall within the next few hours at the head of the stream.

TOWNSEND CUP ON DISPLAY

Horse Show Trophy Cup Exhibited in Pearson Drug Store—Literature Ready for Distribution.

The silver trophy cup given by Ferdinand M. Townsend to the horse show winner at the Nodaway county fair, August 30 to Sept. 4, was placed on display today in the window of the W. C. Pearson Drug company.

The cup is triple plated silver, four teen inches high, of handsome design, and one suggestive of the winning. The handles are in the shape of a horse head and on the front is inscribed the date, the donor's name and the occasion of presentation.

The trophy is to be presented to the winner of the most points in the general and special classes. Displayed with the trophy cups are various ribbons and medals of the different departments of the fair.

J. A. Ford, fair manager, has made arrangements for the distribution of fair literature by placing all supplies in the room on the north side of the square formerly occupied by the Modern Pantatorium. All exhibit and premium lists and any information regarding the fair may be obtained at that place in future.

IS STUNNED BY LIGHTNING

W. H. Howden, Jr., of Skidmore Rendered Unconscious by Electrical Shock Yesterday Afternoon.

W. M. Howden, Jr., the son of Mr. and Mrs. W. M. Howden, living near Skidmore, was overcome by an electrical shock during the storm late yesterday afternoon and was unconscious for some time. His condition at times during the night was serious, but he is now improved and no more serious trouble is feared.

At the time young Howden was overcome Glen Brummitt, an employe on the farm, and three horses were knocked down from the shock caused by a bolt of lightning striking a nearby tree.

The two men, leading the horses, had started to the barn, and as they were going through the yard gate a bolt of lightning struck a tree standing about 12 feet distant.

The horses fell a second before the men were overcome. After some time Brummitt regained consciousness and discovered his companion lying on the ground with his head on the second board of the fence. Aid was summoned and after a few hours young Howden recovered, and today appears to suffer no ill effects of the accident.

The horses were later found in a pasture half a mile distant.

OFFICIAL ON SALARY BASIS.

Circuit Clerk Henry Westfall Gets Salary of \$2,000 After July 1.

The last legislature passed a law that will go into effect July 1, placing the circuit clerks in all counties of Missouri on a salary basis. Circuit Clerk Henry Westfall will receive \$2,000 per year. He will be paid by the county court at the end of each month.

The salary of the circuit clerks in the past have been by fees. These fees will now go to the county.

EMPLOYEES HAVE A FIGHT.

Grant Borchers Assaulted Dewey Ends, State Charges—May Compromise Matter.

A warrant for the arrest of Grant Borchers, charged by the state with an assault Tuesday on Dewey Ends, has been sworn out by Prosecuting Attorney W. G. Sawyers. Both are employed by Harrison Brothers Transfer and Ice Company here.

MAY STRAIGHTEN MORE OF THE 102

PLAN DRAINAGE DISTRICT CARR BRIDGE TO BELOW ARKOE.

WOULD AFFECT 3,000 ACRES; TO COST \$12,000

Farmers to South Propose to Lessen Flood Danger With New Channel—Make Preliminary Survey.

Plans for forming a new drainage district along the valley of the 102 river comprising approximately 3,000 acres, to extend from the Carr bridge, three miles south of the municipal water plant to one and one-fourth miles south of Bridgewater, below Arkoe, are being made.

A preliminary survey has been made of the district, and a rough estimate made of the probable cost of such improvements. The new channel would be five miles long, while the river bed now makes the distance about fifteen miles.

The district would take up the work of straightening the channel of the 102 river at the Carr bridge, where the work of the present district from the Iowa line south ends, and would probably cost between \$12,000 and \$13,000, according to Senator Anderson Craig, who is assisting the leaders in the new movement.

Burlington May Share Cost.

This cost would be diminished in part, it is believed, by the Burlington Railroad company, as the new proposed channel would eliminate two costly steel bridges that railroad now maintains across the 102 river south of Arkoe, and also render the track along there less susceptible to floods from that river.

The belief that the Burlington would aid in the movement, besides paying its share of the regular drainage tax, is because of the offer the company made to Senator Craig two years ago to make the 102 river cut, so as to render the building of the two bridges unnecessary.

A tax of 50 cents an acre would probably be provided in the new district if formed. The leaders in the movement are Clate Carr and Samuel Corrough, between Maryville and Arkoe. Other farmers whose land the drainage channel would extend through are John Snyder, Thomas Coulter, Fred Carr, Charles Barmann, John Wendle, David Yelsley, Wilson Brothers and James Pettijohn.

Must Make Costly Cut.

One of the biggest expenses attached to the new proposed move would be to cut a channel through a hill below Bridgewater, the summit of which is 47 feet above low water level of the 102 river. At one place the 102 river winds around for more than a mile, while the proposed channel would reduce the distance to forty-two yards.

The movement, though proposed for some time, only became really manifest within the last two weeks, since the recent flood on the 102 river, when some land was overflowed.

If the new drainage district is formed, Senator Craig said, the present drainage district would probably try to buy the dredge boat now being used between here and Pickering, for use in cutting the new channel to the south.

A meeting of the farmers affected by the proposed drainage district will be held soon to decide what action to take and how large a bond vote must be made.

Nebraska Visitors to Arrive.

Mr. and Mrs. R. J. Luddington of Alliance, Neb., will arrive in Maryville tonight to visit Mrs. Luddington's mother, Mrs. S. C. Alden. They will be accompanied by Miss Marie Alden, who, in company with the Luddingtons have been spending the week in Omaha.

THE WEATHER

Partly cloudy and possibly unsettled tonight and Saturday; slightly cooler tonight.

Largest Circulation in Nodaway County

It's a good thing Guinea day didn't come on the day after.

The luscious cherry seems to be rather elusive this year.

The new laws passed by the last legislature, without the emergency clause, will go into effect next Saturday. There is still a day or two in which to look them up.

Perry S. Rader, who has been for many years the official reporter of the state supreme court, has been re-elected for another six-year term. The court was deadlocked for a time, and it looked like Perry might lose out, but he has landed feet down once more.

Invitations are out for the laying of the cornerstone of the beautiful new state capitol building at Jefferson City next Thursday, June 24. It will be a capitol worthy of the pride of all Missourians. The first assembly held in the capitol should likewise be a benefit and pride to the state. Who will Nodaway send to christen her seat in the next assembly?

A French writer says the allies do not want the United States to get into war with Germany. According to his reasoning, if the United States should get in, the United States would need all the ammunition her factories could make and would have none to sell. The allies do not need men, he says, but they do need ammunition and arms and would be harmed more than helped by the advent of this country into the war. Of course, if this country should find it necessary to go to war with Germany, the interests of the allies would not be considered. It would be a matter between us and Germany alone, but he no doubt speaks the truth as to the general effect on the present war.

The prompt settlement of the Chicago street car strike was most fortunate. The joint interest of the city in the receipts of the car lines; the fact that the elevated lines are in the hands of a receiver and that a federal judge refused to recognize the strike, and ordered the companies to continue business and the strikers to keep hands off, no doubt all had more or less influence in reaching a speedy agreement. Strikes are unfortunate things, even when they succeed. While they may establish the principle sought or the demands made, they cause untold privation and suffering to thousands of wives and children who are innocent victims of the controversies. It is to be hoped that other strikes may

be satisfactorily settled as promptly as the Chicago street car strike.

Nobody will find any fault with Mr. Bryan for resigning from the president's cabinet if he so desired or felt it his duty to do so, but, as a good Democrat, interested in the administration he helped to create, Mr. Bryan should now let the administration work out and settle the differences between it and the German government in its own way. The question is not one for factional or even party consideration. It is an international question between the United States and a foreign government. There is but one thing for Americans to do and that is to stand by their own government and not rock the boat. Our government has taken a stand and is pledged to a certain policy. It is in possession of the facts in the case. Criticism of the president's policy only tends to weaken our position and to create the impression abroad that we are a divided people. This is to encourage Germany and make our position more difficult. When it is all over, if Mr. Bryan desires to discuss his views, he will have abundant opportunity and a respectful hearing, but for the present the American people must rely on their constituted authorities.

IT RAINED 2.19 INCHES.

Rainfall Yesterday and Last Night is Heaviest of Month.

The rain which began yesterday afternoon and continued until early this morning exceeded the fall of any so far this month, according to the records kept by J. R. Brink. The total fall during the rain storm was 2.19 inches.

The total rainfall so far this month has been 3.19 inches, while the total fall for last May was 9.09 inches, records kept by Mr. Brink show.

Depart for California.

Mr. and Mrs. S. H. Townsend left this morning for St. Joseph, where they will visit until Sunday with Mr. and Mrs. John Koch, after which they will leave on an extensive western trip. At Redlands, Cal., they will visit Mrs. Townsend's granddaughter, Mrs. Harvey Meehan. They will be accompanied on the journey by Mr. and Mrs. George Ingerson.

Captured Seven Wolves.

Major Collins of near Skidmore has captured seven wolves recently, says the Skidmore New Era. Five of them were captured in a chase led by fifteen hounds. The other two were taken alive.

Graham Gives Concerts.

The Graham band now gives concerts on the streets there every Saturday night. It has received new uniforms and Prof. Foster is instructor and leader.

Son Born to Espeys.

Mr. and Mrs. Chet Espey, living seven miles southwest of the city, announce the birth of a son Wednesday.

If You are troubled with heartburn, gases and a distressed feeling after eating take a **Rexall Dyspepsia Tablet** before and after each meal and you will obtain prompt relief. Sold only by us, 25c.

Greer-Henry Drug Co.

Ships 17,000 Pounds of Fowl.

E. D. Wedge of Burlington Junction shipped 17,000 pounds of live poultry to New York this week. Roy Wedge accompanied the car.

Mrs. Smith at Hospital.

Mrs. Ray Smith, who underwent an operation yesterday at St. Francis hospital, was slightly improved today.

THREE U. S. CRUISERS OFF AGAINST YAQUIS

Colorado, Chaitanooqua and Raleigh on Way to Tobari Bay.

San Diego, Cal., June 18.—Peril of American settlers in the Yaqui valley of Sonora state brought orders for the dispatch of three cruisers for the west coast of Mexico and authorization for Admiral Thomas B. Howard to land an expeditionary force if he thinks best. The flagship Colorado sailed first, under orders from Washington, carrying three companies of the Fourth regiment, United States marine corps, under Major McKelvey.

Somewhere off the coast of Lower California the radio began snapping back orders from the admiral which started the protected cruiser Chaitanooqua after the Colorado. The protected cruiser Raleigh also sailed.

All three were destined for Tobari bay near Guaymas. Ninety miles southeast of Guaymas is Esperanza, where an American colony, which has successfully resisted attacks of Yaqui Indians, is reported to be again in danger.

The Indians have declared their intention to expel settlers from land which is said to have been taken from the Yaquis under the administration of President Diaz. They are reported to have withdrawn to the mountains. The three cruisers have available for landing purposes 1,100 officers and men besides the marines.

BERNSTORFF TO SEE LANSING

German Ambassador in Washington For Conference With Secretary.

Washington, June 18.—Count von Bernstorff arrived here this morning for a personal conference with Secretary Lansing.

In regard to the statement already received from the charge d'affaires, the following announcement was made by the state department:

"The department of state has received a telegram from the German counselor, calling attention to articles appearing in the papers in regard to an alleged breach of confidence on the part of the ambassador in sending a secret German government agent to Berlin in place of Dr. Gerhard, the Red Cross delegate. In reference to these articles, the counselor says:

"It is unnecessary for me to assure you that the story circulated by these articles is untrue from beginning to end. It contains a personal attack upon the ambassador and his delegate, Dr. Meyer H. Gerhard, and is likely at the same time to nullify the sincere and earnest efforts of the ambassador to bring about an understanding between the United States and Germany on the Lusitania question."

"MOVIE" SCENE EXPLOSION

Frederick de Belleville and Betty Marshall Hurlled Into River.

Hastings, N. Y., June 18.—Frederick de Belleville, a well-known actor, and Miss Betty Marshall, leading woman for a film company, nearly lost their lives by the premature explosion of 200 pounds of dynamite under an old scow from which they were about to jump into the Hudson river as the hero and heroine in final pictures of a "movie."

Mr. de Belleville and Miss Marshall were hurled into the water unconscious; a launch containing three camera men was overturned and the "movie" cameras with their films sunk to the bottom of the river.

Both actors were floating unconscious when pulled aboard the launch. The trio of camera men managed to cling to the overturned launch until they were picked up.

Western Kansas Flooded.

Topeka, June 18.—Heavy rains, ranging from two to four inches, and accompanied by hail and a high wind, prevailed over southern and western Kansas. All creeks in the affected districts are out of their banks.

MRS. KEMP HEADS SOCIETY

Officers for District Methodist Women's Organization Chosen—To Burlington Junction.

Mrs. M. D. Kemp of this city, who held the office of president of the Maryville district Women's Home Missionary society of the Methodist church, was re-elected to the office for the coming year at the annual meeting of the district organization which was held yesterday at the First Methodist church.

The other officers chosen were Miss Grace Davis, Fillmore, vice president; Mrs. H. E. Wright, Maryville corresponding secretary; Mrs. Jesse Jones, Burlington Junction, recording secretary; Mrs. G. B. McNulty, Tarkio; treasurer; Mrs. Lowe of Tarkio, secretary of literature; Miss Millie Kester, Burlington Junction, secretary of temperance work; Miss Bease Jackson, Tarkio, secretary of young people's work.

The 1916 meeting will be held at Burlington Junction, the date probably being the last week in May.

The closing address of the convention was given last night by Mrs. Anne Hobbs Woodcock of Kansas City, national secretary of children's work of the Women's Home Missionary society. The musical part of the program included a solo by the Rev. Cox, and a violin and cornet duet by Miss Mary Q. Evans and Miss Ruth Hankins.

On account of the storm, which prevented many from coming to the meeting, the afternoon program was changed. The devotional period was in charge of Miss Ethel Embree, and the talk on "Our Literature and How to Use It" was given by Mrs. C. E. White of the Maryville society. "Our Finances" was the subject of a talk given by Mrs. J. T. Welch of Tarkio. A paper prepared by Mrs. I. W. Nixon on "What's in the Annual Report," was read in her absence by Mrs. H. C. Bower. Miss Nellie Wray gave a vocal solo which was very pleasing to the audience. The remainder of the afternoon was given over to reports of the societies.

"I Don't Feel Good" That is what a lot of people tell us. Usually their bowels only need cleansing.

Rexall Orderlies! will do the trick and make you feel fine. We know this positively. Take one tonight. Sold only by us, 10 cents. Greer-Henry Drug Co.

Lincoln Builds New Culvert.

A large concrete culvert is being constructed over the branch south of Olive Bradley's place, near Elmo, this week by the township board of Lincoln township, according to the Elmo Register. The improvement will be paid for by the county, by order of the county court.

May Vie With Harmony.

Patrons of the Mount Tabor rural school district, near Elmo, who voted \$1,600 in bonds recently to build a new school house, are now planning the building so as to be most convenient for a community center, such as is now the case at Harmony.

Barnard Farmer Here.

S. A. Conlin of Barnard came to Maryville this morning to attend the Bellows Bros. stock sale.

Pleasure Seekers to Picnic.

The Pleasure Seekers club of Pickering will hold an outdoor entertainment and picnic on Thursday, June 24.

Church Women to Entertain.

The women of the Holy Family church at Conception Junction will give an ice cream festival in the hall on Tuesday night, June 22. Games and refreshments will be the plan of entertainment.

W. R. C. to Meet.

The regular meeting of the Women's Relief Corps will be held at 2:30 o'clock tomorrow afternoon in their hall. The meeting is one of importance and all members are urged to be present.

Mission Circle to Meet.

The Mission Circle of the First Christian church will hold its June meeting at 2:30 o'clock Saturday afternoon in the church parlors. The occasion is the annual business meeting and election of officers, and this work will follow the program hour.

Amoma Class Enjoys Picnic.

The Amoma class of the First Baptist Sunday school enjoyed an indoor picnic last night at the home of Mrs. Edwin Wallace, with Mrs. E. C. Moberly and Mrs. Wallace hostesses. Plans had been made for an outdoor evening and the inclement weather changed it to an indoor merry making.

Airy Dinner Party.

Mr. and Mrs. John Airy and their daughter, Lucile, gave a dinner party last night at their home, on West Thompson street, at which their guests were Miss Lillian Lindholm of Ottawa, Ill.; Miss Edna Walter of Kansas City, Miss Nellie Wray and Miss Glen Hotchkiss. The dinner was in compliment to the out-of-town guests.

Birthday Dinner Party.

Mr. and Mrs. Walter Runnels, living near Pickering, were the hosts of a dinner given at noon Tuesday to observe the birthday anniversaries of their son, Lauren Chester, and of Mrs. Runnels' mother, Mrs. James F. Hanna. Plates were laid for Mrs. Hanna, Miss Leslie Taylor and Miss Leola Taylor of Graham, Mr. and Mrs. Paul Runnels, Master Lauren Chester Runnels and the hosts.

Wedding Invitations Received.

Maryville friends of Mrs. C. C. Williams and family, formerly of this city, now living at Cozad, Neb., have received invitations to the marriage of Miss Bernice Williams to Mr. Jay Woodrow of Des Moines, Ia., which takes place at 7:30 o'clock Wednesday night, June 23, at the home of the bride's mother, Mrs. C. C. Williams. The future home of Mr. Woodrow and his bride will be in Colorado. Miss Laura Hawkins left Wednesday night for Cozad, to be present at the wedding, and several other Maryville friends are expecting to attend. Miss Williams was a teacher in the city high school while a resident here.

Mrs. Lou E. Rogers Hostess.

The Herron Homemaking Circle met Tuesday afternoon at the home of Mrs. Lou E. Rogers, where they were delightfully entertained by Mrs. Rogers. The hours were spent informally and a lunch of ices, cakes and strawberries served. Those present were Mrs. V. A. Guthrie, Mrs. F. Tebow, Mrs. Harvey Cockayne, Mrs. Walter Taylor, Mrs. R. Neidel, Mrs. S. E. Fisher, Mrs. J. C. Taylor, Mrs. Nellie Manley, Mrs. J. N. Manley, Mrs. W. Dalby, Mrs. C. T. Porter, Mrs. Henry Moore, Mrs. Chance Evans, Mrs. Ed Vulgamott, Miss Nellie Fisher, Miss Esther Neidel, Miss Sarah Taylor, Miss Esther Tebow, Miss Mary Taylor and Miss Mamie Cole. The next meeting will be with Mrs. Shippo on the afternoon of Wednesday, June 23.

Mrs. Hinton Entertains Club.

Mrs. William Hinton of Pickering entertained the Pleasure Seekers club Wednesday afternoon at the usual meeting. Roll call was answered with "My Favorite Poem and Why It Is," and this was followed by a program and business period. Mrs. Hinton had the assistance of her daughter, Blanche, in entertaining her guests. A dainty lunch concluded the afternoon's pleasure. Those present were Mrs. Stewart Robinson, Mrs. Walter Runnels, Mrs. Marion Rickard, Mrs. June Swancy, Mrs. Harvey Cline, Mrs. Albert Hinton, Miss Ethel Rice, Miss Blanche Hinton, Wanda Hinton, Maurine Hilliar, Violet Robinson, Margaret Rickard, Lerita Swancy, Charles Rickard, Claude Cline and Lauren Runnels. The next meeting of the club will be on July 21, with Mrs. June Swancy hostess.

Miss Gene Alek has been employed as stenographer for Edward Billy on the Billy ranch, west of Quitman.

The Store That Is Anxious To Please You

To Spend Summer in Colorado.

Raymond Watson, the son of Mr. and Mrs. A. S. Watson, who has been spending the past week in Maryville with his parents, left this morning for Longmont, Col., to act as cashier for the Colorado Chautauqua circuit of the Redpath-Homer bureau of Kansas City. Mr. Watson will spend three months in Colorado. He attended the Missouri state university the past year.

Nodaway Township Road Bad.

The road running north and south near the Hardesty school house, in Nodaway township is in such bad condition that it has been abandoned in part for traffic. The road was surveyed preparatory to widening some time ago, but through objection from E. Boyer, a property owner along the highway, the improvement is delayed.

Rainfall Plentiful.

Twice as much rain has fallen throughout the country thus far in June as fell during the entire months of April and May, the weather bureau at Washington announces. Last April had the lightest rainfall of any April on record in many parts of the country.

To Improve School House.

The school board of the Burlington Junction school is planning to make several improvements on the building during the summer vacation period. The walls inside will be frescoed and new screens placed on the windows.

Grant City Attorney Here.

Bruce DuBois, an attorney of Grant City, was in Maryville last night and this morning on legal business.

Clearmont Plans Concert.

Plans have been made for a concert to be given on the main street at Clearmont tonight by the Elmo band.

RAISE MORE ARTICHOKE.

They Are Good Food For Humans as
Well as Swine.

With a proper selection of kind, and, in certain cases, little cultivation, one can have several varieties of artichokes, both delicious and ornamental. The farmer, who remonstrated that only pigs ate artichokes on his place, when the Frenchman claimed he preferred them to all other vegetables, was referring, in his ignorance, to the Jerusalem artichoke, a plant totally unlike the Globe variety used as a vegetable.

The Jerusalem species is a hardy perennial, very productive, often thriving under most adverse conditions, and producing annually a heavy crop of long tubers, greatly appreciated by discriminating swine. Indeed, if the Jerusalem artichoke becomes a nuisance (for it flourishes in any soil like a weed, and, when once planted, takes care of itself), the best way to eliminate it is to allow a few pigs among the crop, and they will soon destroy it by eating up all the roots.

In Europe, though not with us, this form of artichoke plays an important part in the markets, being prized there not only as a vegetable, but also as a great addition in the making of soup.

But the Globe artichoke is the one to which the Frenchman referred so longingly, and which is looked upon as a special delicacy in this country. It is a perennial, and should be planted in well-drained, rich soil in an open, sunny position.

These artichokes are propagated either by seeds or suckers from the root of the plant, and should be planted about four feet apart, directly on the spot where it is intended the suckers are to mature, and the heads may be gathered the second year after planting.

The eatable part of this artichoke, which epicures hail as one of the most delicate of morsels for the table, is the fleshy portion of the undeveloped flower head, the inside of the larger outer scales, and the bottom or receptacle of the head. These should always be cooked while very young and tender, or they become tough and stringy.

If the heads expand it is useless as food. After about four years of bearing heavy crops, the Globe artichoke begins to decline. It is then customary to make a fresh start by transplanting in the late spring, and detaching the suckers which form at the base of the root and planting them in another part of the garden. If Globe artichokes are grown in a cold climate

it is necessary to cover the ground where the crowns are with plenty of straw or litter in winter.

TO CLEAN TAN SHOES.

Also Advice How to Keep Them the
Original Light Color.

A bootmaker gives the following very successful, though simple, method for cleaning tanned shoes says the Philadelphia Record.

Scrub the entire shoe with a stiff brush wet with warm water, then apply a lathering of a good pure soap, scrub well until all trace of soil is removed, rinse with warm (not hot) water, dry with a clean cloth. When dry apply the usual paste dressing, polish with a piece of cotton flannel.

If one wishes to keep tan shoes light as when purchased, they may do so by finishing with warm milk. This French manner of cleaning is one that keeps the shoes new looking so long as they last.

GET CORN FOR FARMERS.

Chillicothe Civic Club Sells Early Maturing Variety to Flood Sufferers. A car load of early maturing seed corn has been received by the chamber of commerce at Chillicothe for distribution at cost to the farmers who suffered loss from the floods recently. The corn can be planted yet and mature before frosts, it being of the ninety-day variety.

SUPPLIES CLEAN STOCK CARS.

Burlington Railroad Takes Off Extra Charge for Disinfected Freight Containers.

The Burlington Railroad company has issued instructions to its local agents to make no charge against shippers where clean, disinfected cars are ordered for carrying live stock. Only where the government or state authorities order cars cleaned and disinfected for carrying diseased or exposed stock is the charge of \$2.50 for cleaning a single deck or \$4 for a double deck car assessed against the consignee of the diseased stock.

These charges for cleaning cars went into effect June 10. The Burlington will assess no charge against shippers where clean cars are furnished upon request for the movement of stockers and feeders.

In cases where shippers had been charged for clean cars for moving stockers and feeders back to the country the Burlington has since refunded the charges.

VOLUNTEER WHEAT YIELD GOOD. Freak Grain May Go 25 Bushels to the Acre--Beats Planted Seed.

One of the curiosities of this year's wheat crop in Page county, Iowa, is a "volunteer" crop on a farm near Shenandoah which threatens to make a better yield than any wheat field in the township. Last year the same field bore only a fair crop.

There was so much rain last fall that the farmer was prevented from sowing the field until it was too late, so he decided to let the ground lie idle until spring and plant it in corn. But when spring came and he was preparing to plow up the field preparatory to planting, the wheat looked so good he decided to let the crop grow. The wheat is now headed out and will be ready for harvest within about three weeks. While the stand is somewhat irregular on the ground the heads are of enormous size. The yield will be at least twenty-five bushels to the acre.

For Your Sunday Dinner.

The women of St. Patrick's church will hold a sale of good things to eat all day Saturday at Vandervloot's meat market, West Third street. 16-18

Renew Dram Shop License.

William A. Heller was granted a six-months dram shop license this morning by the county court. The license is effective today and continues until next December.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

Miss Wells Home.

Miss Edith Wells, who has been teaching the past year at Lovelock, Nev., arrived in Maryville Wednesday to visit her brother, C. Edwin Wells, and her sister, Miss Mabel Wells. Later Mr. Wells and his sisters will take an extensive western trip and will also visit both the San Francisco and San Diego expositions.

Carrie Neal to Hospital.

Sheriff Edwin Wallace and Chief of Police E. C. Moberly returned at noon today from St. Joseph, where they went this morning to take Mrs. Carrie Neal, near Pickering, to the state hospital. She was declared mentally unsound by the county court this week.

SLAVS ABANDON SAN POSITIONS

Teutons Force Russians to Flee
Defenses in Galicia.

CROSS INTO POLAND PROPER.

Paris Announces Series of Desperate Assaults on Teuton Lines Result in Advantage to Republic's Arms--Enemy Is Hammering Back.

WAR SUMMARY

Furious fighting is raging on the battle front in France. French announce successes. The losses on both sides are tremendous.

Austro-Germans have driven the Russians across the Galician frontier north of Sienawa, on the San river, and, seemingly, the Russians are in retreat toward Tarnograd, in Russian Poland. Austria reports that the western part of Grodek has been stormed, and, as Grodek is only a short distance to the west of Lemberg, the advance of General von Mackensen's great army is evidently making good progress.

Italian outposts have arrived in sight of Trieste. But along the line of the Isonzo river the Austrians have many thousands of troops holding strongly fortified positions, where hard fighting is now in progress.

An Austrian submarine has sunk the Italian submarine Medusa and an unofficial report from Athens credits a British underwater boat with sending to the bottom in the Dardanelles three Turkish transports loaded with troops. A German submarine has sunk the British coasting steamer Traffic off the Welsh coast and sent the steamer Turnwell into Milfordhaven badly damaged.

Still another loan, possibly for \$1,750,000,000, is to be asked for by the British government.

Berlin, June 18.--The Russians have abandoned their positions to the north of Sienawa, on the San river, in Galicia, and have retreated toward Tarnograd, in Russian Poland, according to the official statement given out by the German army headquarters staff. "Eastern theater of war--Several Russian attacks were repulsed. Otherwise nothing of special importance occurred."

"Southeastern theater of war--North of Sienawa attacks by the Teutonic allies forced the Russians to abandon their positions and retreat towards Tarnograd. The army under General von Mackensen followed in hot pursuit. Dachnow and Lubaczow were taken by storm."

"The southern bank of the Wyszynia was cleared of all enemies. At Niemcew the resistance of the Russians quickly broke down and the Niemcew and Jaworow rivers were crossed. Farther south the Russians are retreating towards Wefeszuca."

Fierce Activity Along Line.

Paris, June 18.--The official communication issued by the war office describes intense activity along the French front, the allied forces delivering powerful attacks and the Germans counter attacking furiously. To the north of Arras the French have carried several lines of German trenches and are making marked progress toward Souchez. Heavy losses on both sides are reported.

GERMANS ARE DISPLEASED

Result of Greek Election Causes Surprise in Fetherland.

Berlin, June 18.--The news of the complete victory in the Grecian general elections of the party of former Premier Venizelos, which is in favor of Greece's participation in the war on the side of the allies, has proven an unpleasant surprise to the newspapers of Germany.

The tone of the comment in the press is by no means optimistic. The Kreuze Zeitung publishes a headline of the Athens election dispatches reading "The Next Enemy," and says: "With this result the return of Mr. Venizelos to the government is as good as assured, and with the support of such a majority in the chamber he will be able to carry through against all other influences his policy of joining with the quadruple entente. Possibly Premier Asquith had this turn of events in view when he so confidently declared that an early success in the Dardanelles was in sight."

Work to Save Men Buried Alive Week
Joplin, Mo., June 18.--Five hundred miners, working five-hour shifts, are digging frantically into the seventy feet of earth and stone which has held Daniel Hardendorf and Reed Taylor prisoners for seven days in the Long-acre-Chapman mine at Neck City. The fact that the men are alive was discovered by tapping on an air line driven into the drift.

New Zeppelin Made Every 20 Days.
Geneva, June 18.--Dispatches from Friedrichshafen set forth that double shifts are now working in the Zeppelin airship factories, which are turning out a completed Zeppelin airship every twenty days.

Austrian Submarine Sinks Italian One.
London, June 18.--It is officially announced that the Italian submarine Medusa has been torpedoed and sunk by an Austrian submarine, says a dispatch from Rome.

WARNEFORD AND NEEDHAM KILLED

Flier Who Destroyed Zeppelin and
American Lose Lives.

MILITARY AREOPLANE FALLS.

Explosion Causes Machine to Drop,
Killing Canadian Aviator Who
Wrecked German Dirigible and Mag-
azine Writer.

Paris, June 18.--Lieutenant Reginald A. J. Warneford of Canada, who gained fame recently by blowing to pieces a Zeppelin over Belgium, was killed by the fall of an aeroplane at Buc, France.

Lieutenant Warneford was piloting the machine, which had as a passenger Henry Beech Needham, the American writer, who also was killed.

Lieutenant Warneford and Needham fell from a height of 500 feet. The lieutenant had been spending a few days in Paris, where he came after his Zeppelin exploit to receive his decoration of the Legion of Honor.

Caused by Explosion.

According to a report received at Paris, the accident resulted from an explosion in midair, which caused Lieutenant Warneford to lose control, the machine crashing to the earth.

Needham's body was taken to the English hospital in Trianon palace, Versailles. He had been in Europe about four months, acting as a correspondent of magazines and a New York newspaper. He had received permission from the military authorities to make a flight in order to get material for a story. His wife, who also is a writer, accompanied him during the early part of his trip abroad. Mrs. Needham sailed for America six weeks ago.

Suddenly Becomes Famous.

Reginald A. J. Warneford, a young Canadian sub-lieutenant in the Royal navy, suddenly acquired world-wide renown by destroying a Zeppelin over Belgium on June 7, this being the first time on record that a Zeppelin had been wrecked by an aviator in an aeroplane. By a brilliant flight, Lieutenant Warneford obtained a position above the Zeppelin and dropped bombs on it. The dirigible crashed to the ground and burned up. The twenty-eight men in the crew were killed.

For this feat Lieutenant Warneford was decorated with the Victoria cross and the cross of the Legion of Honor. Lieutenant Warneford made his first flight at Hendon, England, less than five months ago, and had been with the flying squadron only a few weeks.

TRIES FLYING ON HEAD

Magordon Is Passenger of Aviator
Niles For Monoplane Stunt.

New York, June 18.--Charles F. Niles of Rochester flew upside down with a passenger--the first time the feat has been attempted in this country with a monoplane. His passenger was Stevenson Magordon of Chicago. Niles looped five times with Magordon. Twice they flew upside down, one time a half mile, the next time more than a mile with Niles' head and that of his passenger sticking down toward the field. Niles dropped almost perpendicularly for 800 feet and then volplaned for a landing. They were in the air sixteen minutes.

Dr. Meyer-Gerhard Reaches Berlin.

Berlin, June 18.--Dr. Anton Meyer-Gerhard, who sailed from New York June 4 on a mission to the German government from Count von Bernstorff, reached Berlin and had a protracted conference with Foreign Minister von Jagow.

Chesapeake and Ohio Passes Dividend.
New York, June 18.--Directors of the Chesapeake and Ohio Railroad company voted to pass the dividend. The stock has recently been on a 4 per cent basis.

MARYVILLE, MISSOURI, FRIDAY, JUNE 18, 1915.

NO. 13.

3 CITY TEACHERS RESIGN; PICK ONE

PAUL BECKER, NEBRASKA, TO
TEACH MANUAL TRAINING.

GRADE TUTORS FIND JOBS OTHER PLACES

Misses Glenn Hotchkiss, Ora Eckles
and Kathryn Brown Leave—Hire
Janitors—Meet Again Tuesday.

Three positions in the teaching staff of the Maryville public schools remain to be filled by the school board before the next term begins, as a result of the resignations of three being submitted to the board last night and this morning. One janitorship also remains to be filled. The other janitors and one teacher were elected at a special meeting of the board last night.

Another meeting has been called for next Tuesday night, June 22, in the offices of Cook, Cummins & Dawson. Applications of teachers for three vacancies will perhaps be considered at that time.

The teachers who have announced resignations are: Miss Glenn Hotchkiss, teacher for the last two terms in the third room of the Garfield school who has accepted a position as teacher in Henrietta, Okla., at a higher salary; Miss Ora Eckles, re-elected to teach the A-Fifth grade in the Washington school building next term at \$55 a month has resigned to accept a position as teacher of English in the high school at Quincy, Ill.; and Miss Kathryn Brown, re-elected at a salary of \$50 a month to teach the second room at the Jefferson ward school, resigned to teach in the Hopkins schools.

Pick Manual Training Tutor.

The resignation of Miss Hotchkiss was the only one formally passed upon last night by the board, but the other two will be accepted. L. C. Cook, a board member announced this morning. Applications for the three vacant positions are being awaited.

Paul Becker, now attending the Nebraska state normal school at Wayne, Neb., was elected last night to teach manual training in the high school next term at a salary of \$85 a month. He takes the position held by Harvey Watson at \$70 a month, since H. B. Polson resigned last winter. Becker is said to be inexperienced in actual teaching. He also will probably assist in athletics at the high school next term.

Get New Janitor.

Harry Agnew, who was janitor in the schools of Bedford, Ia., last term, but let out through politics, was employed by the school board last night to be janitor at the Washington school building next term, in charge of the heating plant. He will succeed Joshua L. Neal, who has been employed at the Normal.

He is to also have charge of the ward school buildings during the summer at a salary of \$40 a month. His pay will be \$65 a month from September 1 to December 1; \$75 from December 1 to April 1, 1916, and \$65 the balance of next term.

Richard Viles was re-employed at \$50 a month as janitor at the Washington school building. W. X. Smith will be retained as janitor at the Jefferson building at \$30 a month, and Hugh Byers at the Garfield building at the same pay. No one was hired for the Franklin building. Boyd Blachley was janitor there last term.

WOULD IMPROVE MONROE ROAD.

County Engineer Considers Changing
Highway Through Bottom
West of Skidmore.

County Highway Engineer J. E. Reese was ordered by the county court this morning to make a survey of and estimate the cost of changing the public road west of the Nodaway river just west of Skidmore, for nearly a half-mile. The change is considered to place the highway on higher ground and thereby render it less susceptible to damage from flood waters of the Nodaway river.

CIGARETTES TO BOY; TO JAIL

Roy Mayall, Iowa, Fined \$20 For Gift
to 5-Year-Old Cousin.

Because Roy Mayall, Clarinda, Ia., gave his 5-year-old cousin, Albert Mayall, a cigarette here yesterday afternoon, he must serve sixteen days in the county jail here, as a result of the fine imposed upon him by Justice W. L. Johnson yesterday afternoon. He was fined \$20 while the costs amounted to about \$12, none of which he could pay, he announced. He was committed to jail in default.

The arrest and fine of Mayall followed a campaign which prosecuting Attorney W. G. Sawyers announced last winter. This is the first complaint made to him of such state law violation, though there is no doubt unexcused offenses of this nature, he said. One of the strange facts of the case yesterday, was that the boy's father is said to have observed his nephew giving the cigarette but made no effort to prevent it.

Instead, it is said the two sat by the boy and watched him smoke the cigarette. The Mayalls came to Maryville yesterday, seeking work. They had been living in Clarinda, Iowa.

SAYS BARBER 'FANNED' BOY

William Greenelsh, Former Maryville
Barber, arrested at Conception
on Assault Charge.

William Greenelsh, formerly a barber of Maryville, now proprietor of a barber shop and pool hall at Conception Junction, was arrested today and arraigned before Justice James Donelson there on a charge of common assault and striking a minor. He is said to have whipped Leo Binter, a youth, during a carnival show there Wednesday.

Greenelsh pleaded not guilty when arraigned before Justice Donelson. He was released on his own personal recognizance pending his preliminary trial next Tuesday morning. It is said the trouble with the Binter boy was caused on account of the Binter boy and Greenelsh's boy having had a fight recently.

CLEARMONT TO CELEBRATE

Independence Day Will Be Observed
July 3—Arrangement Committee
Named—Meet Again Tonight.

Clearmont will celebrate Independence day again this year with music, speaking and other entertainment, according to decision made by leaders in that town this week, says the Clearmont News. The celebration will be held on Saturday, July 3, though, as July 4 comes on Sunday.

Another meeting of the officers and committees named a few days ago will be held tonight at Clearmont to make more definite arrangements for the celebration. It is planned to make the celebration this year better than ever before.

Committees on music and entertainment, finance, speaking, grounds and concessions and advertising have been named and the following officers for the day elected: Chairman, Dr. H. S. Dowell; secretary, H. W. Kramer; treasurer, L. M. Cummins; president of the day, Hon. J. H. Lemon; marshal of the day, H. E. Bancroft.

REFUSES TO ENJOIN VOTE.

Court Allows Election in Atchison
County Today to Merge Schools.

Circuit Judge W. C. Ellison late yesterday afternoon decided to refuse the temporary injunction requested to stop an election planned for today to consolidate five rural school districts north of Rock Port, in Atchison county. The matter was argued before him here yesterday afternoon.

Though it is not believed any further fight will be made, the opponents to the plan may later seek to prevent the state authorities from registering the \$10,000 in bonds, which it is proposed to vote today.

Grant City Downs Lighting.

Grant City will have no street lights after August 1, according to an election held this week, in which 79 voted for the lighting and 71 against. As it required a two-thirds majority to carry, the city loses its lighting soon.

WAS RECORD SALE

BELLOWS BROTHERS' AUCTION
BROUGHT BEST BIDS EVER.

MANY BREEDERS ATTEND

Persons Interested in Shorthorns
Came From All Middle West—Agri-
cultural Schools Represented.

The twelfth annual sale of Bellows Brothers, at the Parkdale farm, southwest of Maryville, yesterday afternoon, resulted in thirty-seven of the forty Shorthorn cattle being sold at a total of \$18,975, or an average of \$513, as mentioned in The Democrat-Forum yesterday. The sale this year, is considered by C. D. Bellows the most successful ever held, and which perhaps attracted more Shorthorn breeders here than ever before.

The breeders came from nearly every state in the middle west, while the south and east furnished some. The department of agriculture at Washington also was represented here by W. F. Ward, and the state agricultural colleges of Nebraska, Iowa and Missouri were each represented. Many also attended from all parts of Nodaway county and other sections of northwest Missouri.

Was Better Than Last Year.

Last year the Bellows Brothers sold forty-four cattle at a total of \$13,230, or an average of \$316.60 per head.

The sale yesterday consisted of fourteen bulls and twenty-eight cows and calves. The bulls were sold as follows:

W. C. Children, Council Bluffs, Ia., \$1,500.
H. C. Lookabaugh, Watonga, Okla., \$205.
C. B. Hammett & Son, Clarence, Mo., \$285.
C. S. Allen, Stanberry, Mo., \$315.
F. E. Handorf, Coon, Ia., \$380.
H. Stenberg, Elmora, Minn., \$550.
John Gosling, Kansas City, Mo., \$665.
John Gosling, Kansas City, Mo., \$425.
B. F. Shackelford, Daykin, Neb., \$300.
E. W. Cunningham, Mount Senat, Mo., \$300.
E. W. Cosgrove, Farnam, Neb., \$320.
D. E. Lomas, Villisca, Ia., \$300.
E. G. Tiller, Hamburg, Ia., \$200.
H. C. Lookabaugh, Watonga, Okla., \$205.

These Bought Cows and Calves.

The following cows, heifers and calves were sold:
Red cow and bull calf, Howell Rees & Son, Pilger, Neb., \$1,300.
Roan cow, S. A. Nelson, Malcom, Neb., \$1,000.
Red heifer, S. A. Nelson, Malcom, Neb., \$500.
Red cow, A. B. Patterson, Meridan, Miss., \$540.
Red cow and bull calf, Mary Sweitzer, Kansas City, Mo., \$540.
Roan cow, Mary Sweitzer, Kansas City, Mo., \$830.
Roan heifer, Weaver & Garden, Wappelo, Ia., \$510.
Roan heifer, Mary Sweitzer, Kansas City, Mo., \$725.
Roan heifer, W. V. Leazenby & Sons, Ridgeway, Mo., \$245.
Red cow, Thompson Bros., Dover, Kan., \$610.
Roan cow and calf, A. M. Hill, Northcutt, Minn., \$1,000.
Red cow and bull calf, N. R. Rundell, Hurley, S. D., \$600.
Red cow, D. Warnock & Son, Loveland, Col., \$375.
Red cow, W. V. Leazenby & Sons, Ridgeway, Mo., \$280.
Roan heifer, W. V. Leazenby & Sons, Ridgeway, Mo., \$380.
Red heifer, D. Warnock & Son, Loveland, Col., \$415.
Roan cow, F. E. Taylor, Ellis, S. D., \$700.
Red cow and cow calf, A. M. Hill, Northcutt, Minn., \$840.
Roan cow, F. C. Barber & Son, Skidmore, Mo., \$300.

SEEK PAVING BIDS

CITY COUNCIL MEETS TONIGHT TO
CONSIDER PROPOSALS.

FAILED OTHER TIMES

Representatives of Paving Concerns
Expected—Material Companies
Present—Affects 6 Streets.

Undaunted by the failures to get bids for paving called for twice previously, the city council will meet in adjourned session tonight to again consider any bids that might be submitted. They say the third time is the charm and it does look now as though the charm would come in the way of a paving contract being awarded tonight.

It hasn't been difficult any time to get plenty of material men here but the pavers appear to be shy about something. It is believed though that the council will finish the job tonight even if only one or two are submitted. The Metropolitan Paving Company of St. Joseph, which submitted a bid for paving all but Fifth street from Market to Dunn, and Dunn from Fifth to Normal avenue at the last meeting, is expected to appear again tonight. R. O. Shipp, representing the Midwest Construction company, a paving concern of Kansas City, also is in the city today with the intention of submitting a proposition to pave all proposed streets.

Paving Material Men Here.

Among the representatives of material men here today are S. N. Johnson, manager of the paving department and J. C. Hall, salesman of the Barrett Manufacturing Company, makers of "Tarvia"; G. F. Wunder, representing the Atlas Portland Cement Company; S. J. Wilcox of the Dewey Portland Cement Company, Dewey, Okla.; and Fred Sharer, Kansas City Portland Cement Company, Kansas City.

PLANCHAUTAQUA PROGRAMS

Burlington Junction and Clearmont
Prepare for a Week of Outdoor
Entertainment.

Burlington Junction and Clearmont have each completed arrangements for summer Chautauquas. At each place the entertainment will continue through five days and some splendid talent has been secured.

The Burlington Junction Chautauqua will open Monday, August 30, and continue until Friday night, September 3. The opening hour of each day is devoted to children's games, festivals and athletic events. The opening day the music will be given by the Alpine Singers and Yodlers, and a lecture will be given by Hon. B. F. McDonald.

Other entertainers on the program are Hinton-Mordella, impersonators; George E. Colby, cartoonist; Robert J. Patterson, Irish orator; the Variety club, a concert organization; Judge Lee S. Estelle; the Regniers, vaudeville entertainers; Hon. Paul P. Prosser, a southern orator; an illustrated travelogue by Dr. Frederic Poole; the Eldorado Grand Opera company, and a business talk on "The Community of Interest," by S. A. Baker. The entire program is a strong one and is arranged so as to give a variety of entertainment.

The Clearmont program will open on Friday, July 23, and continue through until the night of Wednesday, July 28. Among the speakers and entertainers for the event are Thomas P. Byrnes, Earl C. VanDusen, Rev. George E. Ferguson, the Versatile Entertainers, Rose Bush and her company, Pearl Jane Doughty; Beatrice Parkhill in song recital, and the Howard Hall male quartet. The meetings will be held in the Clearmont grove, and the regular program will be interspersed with numbers given by local talent.

Ravenwood to Play Gentry.

The Ravenwood base ball team will play Gentry at Gentry Sunday afternoon. Gentry defeated Ravenwood at Ravenwood last Sunday.

Returns to Chicago.

Mrs. D. E. Mills of Chicago, who has been visiting her mother, Mrs. J. V. Embree, returned to her home Wednesday night.

102 BANK FULL; NO DANGER

River Up Again Because of Rain—
Falling Up Stream—Rising Here.

The 102 river was bank full and still rising at the water plant, east of the city, at 2 o'clock this afternoon, as a result of the steady rain yesterday and last night. It still lacks about two feet though, of being as high as it was earlier this spring. No overflow water is yet reported at any place along the river in Nodaway county.

The river was bank full at both Hopkins and Pickering at 1:30 o'clock this afternoon but was beginning to fall slightly. All danger from overflow is past, it is believed, unless additional rain should fall within the next few hours at the head of the stream.

TOWNSEND CUP ON DISPLAY

Horse Show Trophy Cup Exhibited in
Pearson Drug Store—Literature
Ready for Distribution.

The silver trophy cup given by Ferdinand M. Townsend to the horse show winner at the Nodaway county fair, August 30 to Sept. 4, was placed on display today in the window of the W. C. Pearson Drug company.

The cup is triple plated silver, four teen inches high, of handsome design, and one suggestive of the winning. The handles are in the shape of a horse head and on the front is inscribed the date, the donor's name and the occasion of presentation.

The trophy is to be presented to the winner of the most points in the general and special classes.

Displayed with the trophy cups are various ribbons and medals of the different departments of the fair.

J. A. Ford, fair manager, has made arrangements for the distribution of fair literature by placing all supplies in the room on the north side of the square formerly occupied by the Modern Pantatorium. All exhibit and premium lists and any information regarding the fair may be obtained at that place in future.

IS STUNNED BY LIGHTNING

W. H. Howden, Jr., of Skidmore Ren-
dered Unconscious by Electrical
Shock Yesterday Afternoon.

W. M. Howden, Jr., the son of Mr. and Mrs. W. M. Howden, living near Skidmore, was overcome by an electrical shock during the storm late yesterday afternoon and was unconscious for some time. His condition at times during the night was serious, but he is now improved and no more serious trouble is feared.

At the time young Howden was overcome Glen Brammitt, an employee on the farm, and three horses were knocked down from the shock caused by a bolt of lightning striking a nearby tree.

The two men, leading the horses, had started to the barn, and as they were going through the yard gate a bolt of lightning struck a tree standing about 12 feet distant.

The horses fell a second before the men were overcome. After some time Brammitt regained consciousness and discovered his companion lying on the ground with his head on the second board of the fence. Aid was summoned and after a few hours young Howden recovered, and today appears to suffer no ill effects of the accident.

The horses were later found in a pasture half a mile distant.

OFFICIAL ON SALARY BASIS.

Circuit Clerk Henry Westfall Gets
Salary of \$2,000 After July 1.

The last legislature passed a law that will go into effect July 1, placing the circuit clerks in all counties of Missouri on a salary basis. Circuit Clerk Henry Westfall will receive \$2,000 per year. He will be paid by the county court at the end of each month.

The salary of the circuit clerks in the past have been by fees. These fees will now go to the county.

EMPLOYEES HAVE A FIGHT.

Grant Borchert Assaulted Dewey Eads,
State Charges—May Compro-
mise Matter.

A warrant for the arrest of Grant Borchert, charged by the state with an assault Tuesday on Dewey Eads, has been sworn out by Prosecuting Attorney W. G. Sawyers. Both are employed by Harrison Brothers Transfer and Ice Company here.

Read Democrat-Forum want ads.

MAY STRAIGHTEN MORE OF THE 102

PLAN DRAINAGE DISTRICT CARR-
BRIDGE TO-BELOW ARKOE.

WOULD AFFECT 3,000 ACRES; TO COST \$12,000

Farmers to South Propose to Lessen
Flood Danger With New Channel—
Make Preliminary Survey.

Plans for forming a new drainage district along the valley of the 102 river comprising approximately 3,000 acres, to extend from the Carr bridge, three miles south of the municipal water plant to one and one-fourth miles south of Bridgewater, below Arkoe, are being made.

A preliminary survey has been made of the district, and a rough estimate made of the probable cost of such improvements. The new channel would be five miles long, while the river bed now makes the distance about fifteen miles.

The district would take up the work of straightening the channel of the 102 river at the Carr bridge, where the work of the present district from the Iowa line south ends, and would probably cost between \$12,000 and \$13,000, according to Senator Anderson Craig, who is assisting the leaders in the new movement.

This cost would be diminished in part, it is believed, by the Burlington Railroad company, as the new proposed channel would eliminate two costly steel bridges that railroad now maintains across the 102 river south of Arkoe, and also render the track along there less susceptible to floods from that river.

The belief that the Burlington would aid in the movement, besides paying its share of the regular drainage tax, is because of the offer the company made to Senator Craig two years ago to make the 102 river cut, so as to render the building of the two bridges unnecessary.

A tax of 50 cents an acre would probably be provided in the new district if formed. The leaders in the movement are Clate Carr and Samuel Corrough, between Maryville and Arkoe. Other farmers whose land the drainage channel would extend through are John Snyder, Thomas Coulter, Fred Carr, Charles Barnmann, John Wendle, David Yelsley, Wilson Brothers and James Pettijohn.

Must Make Costly Cut.

One of the biggest expenses attached to the new proposed move would be to cut a channel through a hill below Bridgewater, the summit of which is 47 feet above low water level of the 102 river. At one place the 102 river winds around for more than a mile, while the proposed channel would reduce the distance to forty-two yards.

The movement, though proposed for some time, only became really manifest within the last two weeks, since the recent flood on the 102 river, when some land was overflowed.

If the new drainage district is formed, Senator Craig said, the present drainage district would probably try to buy the dredge boat now being used between here and Pickering, for use in cutting the new channel to the south.

A meeting of the farmers affected by the proposed drainage district will be held soon to decide what action to take and how large a bond vote must be made.

Nebraska Visitors to Arrive.

Mr. and Mrs. R. J. Luddington of Alliance, Neb., will arrive in Maryville tonight to visit Mrs. Luddington's mother, Mrs. S. C. Alden. They will be accompanied by Miss Marie Alden, who, in company with the Luddingtons have been spending the week in Omaha.

THE WEATHER

Partly cloudy and possibly unsettled tonight and Saturday; slightly cooler tonight.

It's a good thing Guinea day didn't come on the day after.

The luscious cherry seems to be rather elusive this year.

The new laws passed by the last legislature, without the emergency clause, will go into effect next Saturday. There is still a day or two in which to look them up.

Perry S. Rader, who has been for many years the official reporter of the state supreme court, has been re-elected for another six-year term. The court was deadlocked for a time, and it looked like Perry might lose out, but he has landed feet down once more.

Invitations are out for the laying of the cornerstone of the beautiful new state capitol building at Jefferson City next Thursday, June 24. It will be a capitol worthy of the pride of all Missourians. The first assembly held in the capitol should likewise be a benefit and pride to the state. Who will Nodaway send to christen her seat in the next assembly?

A French writer says the allies do not want the United States to get into war with Germany. According to his reasoning, if the United States should get in, the United States would need all the ammunition her factories could make and would have none to sell. The allies do not need men, he says, but they do need ammunition and arms and would be harmed more than helped by the advent of this country into the war. Of course, if this country should find it necessary to go to war with Germany, the interests of the allies would not be considered. It would be a matter between us and Germany alone, but he no doubt speaks the truth as to the general effect on the present war.

The prompt settlement of the Chicago street car strike was most fortunate. The joint interest of the city in the receipts of the car lines; the fact that the elevated lines are in the hands of a receiver and that a federal judge refused to recognize the strike, and ordered the companies to continue business and the strikers to keep hands off, no doubt all had more or less influence in reaching a speedy agreement. Strikes are unfortunate things, even when they succeed. While they may establish the principle sought or the demands made, they cause untold privation and suffering to thousands of wives and children who are innocent victims of the controversies. It is to be hoped that other strikes may

be satisfactorily settled as promptly as the Chicago street car strike.

Nobody will find any fault with Mr. Bryan for resigning from the president's cabinet if he so desired or felt it his duty to do so, but, as a good Democrat, interested in the administration he helped to create, Mr. Bryan should now let the administration work out and settle the differences between it and the German government in its own way. The question is not one for factional or even party consideration. It is an international question between the United States and a foreign government. There is but one thing for Americans to do and that is to stand by their own government and not rock the boat. Our government has taken a stand and is pledged to a certain policy. It is in possession of the facts in the case. Criticism of the president's policy only tends to weaken our position and to create the impression abroad that we are a divided people. This is to encourage Germany and make our position more difficult. When it is all over, if Mr. Bryan desires to discuss his views, he will have abundant opportunity and a respectful hearing, but for the present the American people must rely on their constituted authorities.

IT RAINED 2.19 INCHES.

Rainfall Yesterday and Last Night is Heaviest of Month.

The rain which began yesterday afternoon and continued until early this morning exceeded the fall of any so far this month, according to the records kept by J. R. Brink. The total fall during the rain storm was 2.19 inches.

The total rainfall so far this month has been 3.19 inches, while the total fall for last May was 9.09 inches, records kept by Mr. Brink show.

Depart for California.

Mr. and Mrs. S. H. Townsend left this morning for St. Joseph, where they will visit until Sunday with Mr. and Mrs. John Koch, after which they will leave on an extensive western trip. At Redlands, Cal., they will visit Mrs. Townsend's granddaughter, Mrs. Harvey Meehan. They will be accompanied on the journey by Mr. and Mrs. George Ingerson.

Captured Seven Wolves.

Major Collins of near Skidmore has captured seven wolves recently, says the Skidmore New Era. Five of them were captured in a chase led by fifteen hounds. The other two were taken alive.

Graham Gives Concerts.

The Graham band now gives concerts on the streets there every Saturday night. It has received new uniforms and Prof. Foster is instructor and leader.

Son Born to Espeys.

Mr. and Mrs. Chet Espey, living seven miles southwest of the city, announce the birth of a son Wednesday.

If You are troubled with heartburn, gases and a distressed feeling after eating take a **Rexall Dyspepsia Tablet** before and after each meal and you will obtain prompt relief. Sold only by us, 25c
Orear-Henry Drug Co.

Ships 17,000 Pounds of Fowl.

E. D. Wedge of Burlington Junction shipped 17,000 pounds of live poultry to New York this week. Roy Wedge accompanied the car.

Mrs. Smith at Hospital.

Mrs. Ray Smith, who underwent an operation yesterday at St. Francis hospital, was slightly improved today.

THREE U. S. CRUISERS OFF AGAINST YAQUIS

Colorado, Chittanooga and Raleigh on Way to Tobari Bay.

San Diego, Cal., June 18.—Peril of American settlers in the Yaqui valley of Sonora state brought orders for the dispatch of three cruisers for the west coast of Mexico and authorization for Admiral Thomas B. Howard to land an expeditionary force if he thinks best. The flagship Colorado sailed first, under orders from Washington, carrying three companies of the Fourth regiment, United States marine corps, under Major McKeely. Somewhere off the coast of Lower California the radio began snapping back orders from the admiral which started the protected cruiser Chittanooga after the Colorado. The protected cruiser Raleigh also sailed. All three were destined for Tobari bay, near Guaymas. Ninety miles southeast of Guaymas is Esperanza, where an American colony, which has successfully resisted attacks of Yaqui Indians, is reported to be again in danger.

The Indians have declared their intention to expel settlers from land which is said to have been taken from the Yaquis under the administration of President Diaz. They are reported to have withdrawn to the mountains. The three cruisers have available for landing purposes 1,100 officers and men besides the marines.

BERNSTORFF TO SEE LANSING

German Ambassador in Washington For Conference With Secretary.

Washington, June 18.—Count von Bernstorff arrived here this morning for a personal conference with Secretary Lansing. In regard to the statement already received from the charge d'affaires, the following announcement was made by the state department:

"The department of state has received a telegram from the German counselor, calling attention to articles appearing in the papers in regard to an alleged breach of confidence on the part of the ambassador in sending a secret German government agent to Berlin in place of Dr. Gerhard, the Red Cross delegate. In reference to these articles, the counselor says: "It is unnecessary for me to assure you that the story circulated by these articles is untrue from beginning to end. It contains a personal attack upon the ambassador and his delegate, Dr. Meyer H. Gerhard, and is likely at the same time to nullify the sincere and earnest efforts of the ambassador to bring about an understanding between the United States and Germany on the Lusitania question."

"MOVIE" SCENE EXPLOSION

Frederick de Belleville and Betty Marshall Hurling Into River.

Hastings, N. Y., June 18.—Frederick de Belleville, a well known actor, and Miss Betty Marshall, leading woman for a film company, nearly lost their lives by the premature explosion of 200 pounds of dynamite under an old scow from which they were about to jump into the Hudson river as the hero and heroine in final pictures of a "movie."

Mr. de Belleville and Miss Marshall were hurled into the water unconscious; a launch containing three camera men was overturned and the "movie" cameras with their films sank to the bottom of the river. Both actors were floating unconscious when pulled aboard the launch. The trio of camera men managed to cling to the overturned launch until they were picked up.

Western Kansas Flooded.

Topeka, June 18.—Heavy rains, ranging from two to four inches, and accompanied by hail and a high wind, prevailed over southern and western Kansas. All creeks in the affected districts are out of their banks.

MRS. KEMP HEADS SOCIETY

Officers for District Methodist Women's Organization Chosen—To Burlington Junction.

Mrs. M. D. Kemp of this city, who held the office of president of the Maryville district Women's Home Missionary society of the Methodist church, was re-elected to the office for the coming year at the annual meeting of the district organization which was held yesterday at the First Methodist church.

The other officers chosen were Miss Grace Davis, Fillmore, vice president; Mrs. H. E. Wright, Maryville corresponding secretary; Mrs. Jesse Jones, Burlington Junction, recording secretary; Mrs. G. B. McNulty, Tarkio; treasurer; Mrs. Lowe of Tarkio, secretary of literature; Miss Millie Kester, Burlington Junction, secretary of temperance work; Miss Besse Jackson, Tarkio, secretary of young people's work.

The 1916 meeting will be held at Burlington Junction, the date probably being the last week in May.

The closing address of the convention was given last night by Mrs. Anne Hobbs Woodcock of Kansas City, national secretary of children's work of the Women's Home Missionary society. The musical part of the program included a solo by the Rev. Cox, and a violin and cornet duet by Miss Mary Q. Evans and Miss Ruth Hankins.

On account of the storm, which prevented many from coming to the meeting, the afternoon program was changed. The devotional period was in charge of Miss Ethel Embree, and the talk on "Our Literature and How to Use It" was given by Mrs. C. E. White of the Maryville society. "Our Finances" was the subject of a talk given by Mrs. J. T. Welch of Tarkio. A paper prepared by Mrs. I. W. Nixon on "What's in the Annual Report," was read in her absence by Mrs. H. C. Bower. Miss Nellie Wray gave a vocal solo which was very pleasing to the audience. The remainder of the afternoon was given over to reports of the societies.

"I Don't Feel Good"
That is what a lot of people tell us. Usually their bowels only need cleansing.

Rexall Orderlies
Will do the trick and make you feel fine. We know this positively. Take one tonight. Sold only by us, 10 cents.

Pleasure Seekers to Picnic.

The Pleasure Seekers club of Pickering will hold an outdoor entertainment and picnic on Thursday, June 24.

Church Women to Entertain.

The women of the Holy Family church at Conception Junction will give an ice cream festival in the hall on Tuesday night, June 22. Games and refreshments will be the plan of entertainment.

W. R. C. to Meet.

The regular meeting of the Women's Relief Corps will be held at 2:30 o'clock tomorrow afternoon in their hall. The meeting is one of importance and all members are urged to be present.

Mission Circle to Meet.

The Mission Circle of the First Christian church will hold its June meeting at 2:30 o'clock Saturday afternoon in the church parlors. The occasion is the annual business meeting and election of officers, and this work will follow the program hour.

Amoma Class Enjoys Picnic.

The Amoma class of the First Baptist Sunday school enjoyed an indoor picnic last night at the home of Mrs. Edwin Wallace, with Mrs. E. C. Moberly and Mrs. Wallace hostesses. Plans had been made for an outdoor evening and the inclement weather changed it to an indoor merry making.

Airy Dinner Party.

Mr. and Mrs. John Airy and their daughter, Lucile, gave a dinner party last night at their home, on West Thompson street, at which their guests were Miss Lillian Lindholm of Ottawa, Ill.; Miss Edna Walter of Kansas City, Miss Nellie Wray and Miss Glen Hotchkiss. The dinner was in compliment to the out-of-town guests.

Birthday Dinner Party.

Mr. and Mrs. Walter Runnels, living near Pickering, were the hosts of a dinner given at noon Tuesday to observe the birthday anniversaries of their son, Lauren Chester, and of Mrs. Runnels' mother, Mrs. James F. Hanna. Plates were laid for Mrs. Hanna, Mrs. Leslie Taylor and Miss Loola Taylor of Graham, Mr. and Mrs. Earl Runnels, Master Lauren Chester Runnels and the hosts.

Wedding Invitations Received.

Maryville friends of Mrs. C. C. Williams and family, formerly of this city, now living at Cozad, Neb. have received invitations to the marriage of Miss Bernice Williams to Mr. Jay Woodrow of Des Moines, Ia., which takes place at 7:30 o'clock Wednesday night, June 23, at the home of the bride's mother, Mrs. C. C. Williams. The future home of Mr. Woodrow and his bride will be in Colorado. Miss Laura Hawkins left Wednesday night for Cozad, to be present at the wedding, and several other Maryville friends are expecting to attend. Miss Williams was a teacher in the city high school while a resident here.

Mrs. Lou E. Rogers Hostess.

The Herron Homemaking Circle met Tuesday afternoon at the home of Mrs. Lou E. Rogers, where they were delightfully entertained by Mrs. Rogers. The hours were spent informally and a lunch of ices, cakes and strawberries served. Those present were Mrs. V. A. Guthrie, Mrs. F. Tebow, Mrs. Harvey Cockayne, Mrs. Walter Taylor, Mrs. R. Neidel, Mrs. S. E. Fisher, Mrs. J. C. Taylor, Mrs. Nellie Manley, Mrs. J. N. Manley, Mrs. W. Dalby, Mrs. C. T. Porter, Mrs. Henry Moore, Mrs. Chance Evans, Mrs. Ed Vulgamott, Miss Nellie Fisher, Miss Esther Neidel, Miss Sarah Taylor, Miss Esther Tebow, Miss Mary Taylor and Miss Mamie Cole. The next meeting will be with Mrs. Shippo on the afternoon of Wednesday, June 23.

Mrs. Hinton Entertains Club.

Mrs. William Hinton of Pickering entertained the Pleasure Seekers club Wednesday afternoon at the usual meeting. Roll call was answered with "My Favorite Poem and Why It Is," and this was followed by a program and business period. Mrs. Hinton had the assistance of her daughter, Blanche, in entertaining her guests. A dainty lunch concluded the afternoon's pleasure. Those present were Mrs. Stewart Robinson, Mrs. Walter Runnels, Mrs. Marion Rickard, Mrs. June Swaney, Mrs. Harvey Cline, Mrs. Albert Hinton, Miss Ethel Rice, Miss Blanche Hinton, Wanda Hinton, Maurine Hilliard, Violet Robinson, Margaret Rickard, Lerita Swaney, Charles Rickard, Claude Cline and Lauren Runnels. The next meeting of the club will be on July 21, with Mrs. June Swaney hostess.

Miss Genie Alek has been employed as stenographer for Edward Bilby on the Bilby ranch, west of Quitman.

The Store That Is Anxious To Please, You

To Spend Summer in Colorado.

Raymond Watson, the son of Mr. and Mrs. A. S. Watson, who has been spending the past week in Maryville with his parents, left this morning for Longmont, Col., to act as cashier for the Colorado Chautauqua circuit of the Redpath-Homer bureau of Kansas City. Mr. Watson will spend three months in Colorado. He attended the Missouri state university the past year.

Nodaway Township Road Bad.

The road running north and south near the Hardesty school house, in Nodaway township is in such bad condition that it has been abandoned in part for traffic. The road was surveyed preparatory to widening some time ago, but through objection from E. Boyer, a property owner along the highway, the improvement is delayed.

Rainfall Plentiful.

Twice as much rain has fallen throughout the country thus far in June as fell during the entire months of April and May, the weather bureau at Washington announces. Last April had the lightest rainfall of any April on record in many parts of the country.

To Improve School House.

The school board of the Burlington Junction school is planning to make several improvements on the building during the summer vacation period. The walls inside will be frescoed and new screens placed on the windows.

Grant City Attorney Here.

Bruce DuBois, an attorney of Grant City, was in Maryville last night and this morning on legal business.

Clearmont Plans Concert.

Plans have been made for a concert to be given on the main street at Clearmont tonight by the Elmo band.

RAISE MORE ARTICHOKE.

They Are Good Food For Humans as Well as Swine.

With a proper selection of kind, and, in certain cases, little cultivation, one can have several varieties of artichokes, both delicious and ornamental. The farmer, who remonstrated that only pigs ate artichokes on his place, when the Frenchman claimed he preferred them to all other vegetables, was referring, in his ignorance, to the Jerusalem artichoke, a plant totally unlike the Globe variety used as a vegetable.

The Jerusalem species is a hardy perennial, very productive, often thriving under most adverse conditions, and producing annually a heavy crop of long tubers, greatly appreciated by discriminating swine. Indeed, if the Jerusalem artichoke becomes a nuisance (for it flourishes in any soil like a weed, and, when once planted, takes care of itself), the best way to eliminate it is to allow a few pigs among the crop, and they will soon destroy it by eating up all the roots.

In Europe, though not with us, this form of artichoke plays an important part in the markets, being prized there not only as a vegetable, but also as a great addition in the making of soup.

But the Globe artichoke is the one to which the Frenchman referred so longingly, and which is looked upon as a special delicacy in this country. It is a perennial, and should be planted in well-drained, rich soil in an open, sunny position.

These artichokes are propagated either by seeds or suckers from the root of the plant, and should be planted about four feet apart, directly on the spot where it is intended the suckers are to mature, and the heads may be gathered the second year after planting.

The eatable part of this artichoke, which epitomizes half as one of the most delicate of morsels for the table, is the fleshy portion of the undeveloped flower head, the inside of the larger outer scales, and the bottom or receptacle of the head. These should always be cooked while very young and tender, or they become tough and stringy.

If the heads expand it is useless as food. After about four years of bearing heavy crops, the Globe artichoke begins to decline. It is then customary to make a fresh start by transplanting in the late spring, and detaching the suckers which form at the base of the root and planting them in another part of the garden. If Globe artichokes are grown in a cold climate

it is necessary to cover the ground where the crowns are with plenty of straw or litter in winter.

TO CLEAN TAN SHOES.

Also Advice How to Keep Them the Original Light Color.

A bootmaker gives the following very successful, though simple, method for cleaning tanned shoes says the Philadelphia Record.

Scrub the entire shoe with a stiff brush wet with warm water, then apply a lathering of a good pure soap, scrub well until all trace of soil is removed, rinse with warm (not hot) water, dry with a clean cloth. When dry apply the usual paste dressing, polish with a piece of cotton flannel.

If one wishes to keep tan shoes light as when purchased, they may do so by rinsing with warm milk. This French manner of cleaning is one that keeps the shoes new looking so long as they last.

"Blind Boone" at Parnell.
"Blind Boone" will give an entertainment at the Parnell opera house tomorrow night.

Special Plant Sale Six Days June 13 to 9

All Bedding Plants, Geraniums, Cannas, Colers, Salvias, Dusty Miller, Periwinkle, Etc., Moon Vines and Cardinal Climber and Asparagus Sprenger; the popular plant for hanging baskets and porch boxes. GET CORN FOR FARMERS.

Chillicothe Civic Club Sells Early Maturing Variety to Flood Sufferers.

A car load of early maturing seed corn has been received by the chamber of commerce at Chillicothe for distribution at cost to the farmers who suffered loss from the floods recently. The corn can be planted yet and mature before frosts, it being of the ninety-day variety.

SUPPLIES CLEAN STOCK CARS.

Burlington Railroad Takes Off Extra Charge for Disinfected Freight Containers.

The Burlington Railroad company has issued instructions to its local agents to make no charge against shippers where clean, disinfected cars are ordered for carrying live stock. Only where the government or state authorities order cars cleaned and disinfected for carrying diseased or exposed stock is the charge of \$2.50 for cleaning a single deck or \$4 for a double deck car assessed against the consignee of the diseased stock.

These charges for cleaning cars went into effect June 10. The Burlington will assess no charge against shippers where clean cars are furnished upon request for the movement of stockers and feeders.

In cases where shippers had been charged for clean cars for moving stockers and feeders back to the country the Burlington has since refunded the charges.

VOLUNTEER WHEAT YIELD GOOD.

Freak Grain May Go 25 Bushels to the Acre--Beats Planted Seed.

One of the curiosities of this year's wheat crop in Page county, Iowa, is a "volunteer" crop on a farm near Shenandoah which threatens to make a better yield than any wheat field in the township. Last year the same field bore only a fair crop.

There was so much rain last fall that the farmer was prevented from sowing the field until it was too late, so he decided to let the ground lie idle until spring and plant it in corn. But when spring came and he was preparing to plow up the field preparatory to planting, the wheat looked so good he decided to let the crop grow. The wheat is now headed out and will be ready for harvest within about three weeks. While the stand is somewhat irregular on the ground the heads are of enormous size. The yield will be at least twenty-five bushels to the acre.

For Your Sunday Dinner.

The women of St. Patrick's church will hold a sale of good things to eat all day Saturday at Vandersloot's meat market, West Third street. 16-18

Renew Dram Shop License.

William A. Heller was granted a six-months dram shop license this morning by the county court. The license is effective today and continues until next December.

FRECKLES

Don't Hide Them With a Veil; Remove Them With the Othine Prescription.

This prescription for the removal of freckles was written by a prominent physician and is usually so successful in removing freckles and giving a clear, beautiful complexion that it is sold by druggists under guarantee to refund the money if it fails.

Don't hide your freckles under a veil; get an ounce of othine and remove them. Even the first few applications should show a wonderful improvement, some of the lighter freckles vanishing entirely.

Be sure to ask the druggist for the double strength othine; it is this that is sold on the money-back guarantee.

Miss Wells Home.

Miss Edith Wells, who has been teaching the past year at Lovelock, Nev., arrived in Maryville Wednesday to visit her brother, C. Edwin Wells, and her sister, Miss Mabel Wells. Later Mr. Wells and his sisters will take an extensive western trip and will also visit both the San Francisco and San Diego expositions.

Carrie Neal to Hospital.

Sheriff Edwin Wallace and Chief of Police E. C. Moberly returned at noon today from St. Joseph, where they went this morning to take Mrs. Carrie Neal, near Pickering, to the state hospital. She was declared mentally unsound by the county court this week.

SLAVS ABANDON SAN POSITIONS

Teutons Force Russians to Flee
Defenses in Galicia.

GROSS INTO POLAND PROPER.

Paris Announces Series of Desperate Assaults on Teuton Lines Result in Advantage to Republic's Arms--Enemy Is Hammering Back.

WAR SUMMARY

Furious fighting is raging on the battle front in France. French announce successes. The losses on both sides are tremendous.

Austro-Germans have driven the Russians across the Galician frontier north of Sieniawa, on the San river, and, seemingly, the Russians are in retreat toward Tarnograd. In Russian Poland, Austria reports that the western part of Grodek has been stormed, and, as Grodek is only a short distance to the west of Lemberg, the advance of General von Mackensen's great army is evidently making good progress.

Italian outposts have arrived in sight of Trieste. But along the line of the Isonzo river the Austrians have many thousands of troops holding strongly fortified positions, where hard fighting is now in progress.

An Austrian submarine has sunk the Italian submarine Medusa and an unofficial report from Athens credits a British underwater boat with sending to the bottom in the Dardanelles three Turkish transports loaded with troops. A German submarine has sunk the British coasting steamer Trafford off the Welsh coast and sent the steamer Turnwell into Milfordhaven badly damaged. Still another loan, possibly for \$1,750,000,000, is to be asked for by the British government.

Berlin, June 18--The Russians have abandoned their positions to the north of Sieniawa, on the San river, in Galicia, and have retreated toward Tarnograd. In Russian Poland, according to the official statement given out by the German army headquarters staff, "Eastern theater of war--Several Russian attacks were repulsed. Otherwise nothing of special importance occurred."

"Southeastern theater of war--North of Sieniawa attacks by the Teutonic allies forced the Russians to abandon their positions and retreat towards Tarnograd. The army under General von Mackensen followed in hot pursuit. Dabnow and Lubaczow were taken by storm.

"The southern bank of the Wyszna was cleared of all enemies. At Niemcew the resistance of the Russians quickly broke down and the Niemcew and Jaworow rivers were crossed. Farther south the Russians are retreating towards Wefeszuca."

Fierce Activity Along Line.

Paris, June 18--The official communication issued by the war office describes intense activity along the French front, the allied forces delivering powerful attacks and the Germans counter attacking furiously. To the north of Arras the French have carried several lines of German trenches and are making marked progress toward Souchez. Heavy losses on both sides are reported.

GERMANS ARE DISPLEASED

Result of Greek Election Causes Surprise in Fatherland.

Berlin, June 18--The news of the complete victory in the Grecian general elections of the party of former Premier Venizelos, which is in favor of Greece's participation in the war on the side of the allies, has proven an unpleasant surprise to the newspapers of Germany.

The tone of the comment in the press is by no means optimistic. The Kreuze Zeitung publishes a headline of the Athens election dispatches reading "The Next Enemy," and says: "With this result the return of Mr. Venizelos to the government is as good as assured, and with the support of such a majority in the chamber he will be able to carry through against all other influences his policy of joining with the quadruple entente. Possibly Premier Asquith had this turn of events in view when he so confidently declared that an early success in the Dardanelles was in sight."

Work to Save Men Buried Alive Week
Joplin, Mo., June 18--Five hundred miners, working five-hour shifts, are digging frantically into the seventy feet of earth and stone which has held Daniel Hardendorf and Reed Taylor prisoners for seven days in the Long-acre-Chapman mine at Neck City. The fact that the men are alive was discovered by tapings on an air line driven into the drift.

New Zeppelin Made Every 20 Days
Geneva, June 18--Dispatches from Friedrichshafen set forth that double shifts are now working in the Zeppelin airship factories, which are turning out a completed Zeppelin airship every twenty days.

Austrian Submarine Sinks Italian One.
London, June 18--It is officially announced that the Italian submarine Medusa has been torpedoed and sunk by an Austrian submarine, says a dispatch from Rome.

ANTI-WAR LEAGUE APPEARS ON SCENE

Philadelphia, June 18--Within historic Independence hall there was formed an organization whose object it will be to promote the creation of a league of nations with a view to preventing wars or, at least, to lessen the possibilities of armed conflicts. The name adopted by the organization was League to Enforce Peace. Former President Taft was elected permanent president.

WARNEFORD AND NEEDHAM KILLED

Flier Who Destroyed Zeppelin and
American Lose Lives.

MILITARY AEROPLANE FALLS.

Explosion Causes Machine to Drop,
Killing Canadian Aviator Who
Wrecked German Dirigible and Mag-
azine Writer.

Paris, June 18--Lieutenant Reginald A. J. Warneford of Canada, who gained fame recently by blowing to pieces a Zeppelin over Belgium, was killed by the fall of an aeroplane at Buc, France.

Lieutenant Warneford was piloting the machine, which had as a passenger Henry Beech Needham, the American writer, who also was killed.

Lieutenant Warneford and Needham fell from a height of 500 feet. The lieutenant had been spending a few days in Paris, where he came after his Zeppelin exploit to receive his decoration of the Legion of Honor.

Caused by Explosion.
According to a report received at Paris, the accident resulted from an explosion in midair, which caused Lieutenant Warneford to lose control, the machine crashing to the earth.

Needham's body was taken to the English hospital in Trianon palace, Versailles. He had been in Europe about four months, acting as a correspondent of magazines and a New York newspaper. He had received permission from the military authorities to make a flight in order to get material for a story. His wife, who also is a writer, accompanied him during the early part of his trip abroad. Mrs. Needham sailed for America six weeks ago.

Suddenly Becomes Famous.
Reginald A. J. Warneford, a young Canadian sub-lieutenant in the Royal navy, suddenly acquired world-wide renown by destroying a Zeppelin over Belgium on June 7, this being the first time on record that a Zeppelin had been wrecked by an aviator in an aeroplane. By a brilliant flight, Lieutenant Warneford obtained a position above the Zeppelin and dropped bombs on it. The dirigible crashed to the ground and burned up. The twenty-eight men in the crew were killed.

For this feat Lieutenant Warneford was decorated with the Victoria cross and the cross of the Legion of Honor. Lieutenant Warneford made his first flight at Hendon, England, less than five months ago, and had been with the flying squadron only a few weeks.

TRIES FLYING ON HEAD

Magdon Is Passenger of Aviator
Niles For Monoplane Stunt.

New York, June 18--Charles F. Niles of Rochester flew upside down with a passenger--the first time the feat has been attempted in this country with a monoplane. His passenger was Stevenson Magdon of Chicago. Niles looped five times with Magdon. Twice they flew upside down, one time a half mile, the next time more than a mile with Niles' head and that of his passenger sticking down toward the field. Niles dropped almost perpendicularly for 800 feet and then volplaned for a landing. They were in the air sixteen minutes.

Dr. Meyer-Gerhard Reaches Berlin.
Berlin, June 18--Dr. Anton Meyer-Gerhard, who sailed from New York June 4 on a mission to the German government from Count von Bernstorff, reached Berlin and had a protracted conference with Foreign Minister von Jagow.

Chesapeake and Ohio Passes Dividend.
New York, June 18--Directors of the Chesapeake and Ohio Railroad company voted to pass the dividend. The stock has recently been on a 4 per cent basis.
